

Greetings Cumberland!

Firstly, congrats we made it through January! With February in full swing check out the latest Cumberland news in 2016.

* SOCIALS *

HUGE thanks to our fabulous Social secretary Cassie Start for organising the post Christmas social which raised over £800 for the club! G team grapes you were a key favourite (even if you did take up half the room at the bar). If you still owe any money be sure to get it in the account - every penny helps! Keep an eye out for the next socials coming your way including the quiz night and of course, Bournemouth 7s! A Facebook event for Bournemouth is already up - please only accept if going so Cassie can work out numbers. (and join the group if you haven't already to see how all the teams get on each week!)

* WANT TO BECOME AN UMPIRE? *

Umpiring Secretary, Elz Eve, is also now a qualified mentor so if you are looking to do your C award and want a hand, drop her a line at CNCumpiring@gmail.com.

* SHOUT OUTS *

As you all should know, Cumberland is a volunteer led club and if it wasn't for these people you would not be able to play. It's that simple. If you see these lovely ladies be sure to say thanks!

- Umpire organising extraordinaires!
 - Liz Cooke (NLNL)
 - Becky Kay (Essex Met)
 - Dara Leigh (NLNL Juniors)
- Development Secretary, Hannah Suthren for submitting the huge CAPS file to England Netball last week so we can keep our Silver status.

* KIT *

Jealous of your mates in brand spanking pink T-shirts? Hate playing in the cold without a Cumbo branded headband? Then lucky for you the next kit order will be sent off by Jo Stevens on 12th Feb! Get your orders in - [forms on the website](#) - and transfer the dosh to the Cumberland account clearly labelled with 'name - kit'.

* REMINDERS - CODE OF CONDUCT *

We all play netball for fun and a lot of people give up a considerable amount to their time to allow it to happen. That's why it's important to always remember to respect everyone involved in the game; from coaches to umpires, players and supporters. North London Netball League wants to remind everyone of their [Code of Conduct](#). Cumberland also has it's own [Code of Conduct](#) that all players must abide by.

* UPCOMING MATCHES *

With some big games coming up keep an eye out on the website calendar for the next Cumberland fixtures. The [Prem team](#) will also be at their home ground, City University, for their last 4 matches so if you fancy watching some top national level netball on a Sunday lunchtime get down and show your support!
